

Madrasah Assignment 1 - 2017

Grade 10 & 11

Excursion to the Maqbarah

Due Dates:

- **Saturday Madrasah - 20 May**
- **Weekday Madrasah - 22 May**

Attend the Madrasah excursion of your Grade and present as indicated below:

- Grade 2 to 5 - do an oral presentation to the class
- Grade 6 to 12 - do a written report and an oral presentation to the class

The purpose of the Madrasah excursion is to create awareness and allow students to interact with the broader community. By attending these excursions students will have the opportunity to not only theoretically learn something, but also practically experience what is being taught at Madrasah.

- You will experience how the different organisations function within society by observing and asking questions. This will in turn allow you to gain valuable information about how the different organisations within our society operate.
- Your goal will be to learn as much as possible through observation, listening, asking good questions and possibly taking some notes.

Questions:

1. Describe your experience at the Maqbarah?
2. What lessons do we learn from visiting the Maqbarah?
3. Explain what happens to a person after he is put into the grave?
